

Correction: OLR1 Promotes Pancreatic Cancer Metastasis via Increased c-Myc Expression and Transcription of HMGA2

In the original version of this article (1), Fig. 2C contains the following errors:

- the Bxpc-3/migration/pcDNA3.1 image is an erroneous duplication of the Bxpc-3/migration/siNC&HMGA2 image in Fig. 4K;
- the same image was used to represent the Mia PaCa-2/invasion/OLR1 and Mia PaCa-2/migration/siOLR1 images; and
- an errant label reading “72 hours” appears amid images in the panel.

The inadvertently reused images have been replaced with the correct versions and the misplaced label has been removed in the latest online HTML and PDF versions of the article. The authors regret these errors.
